

VIÁGO
PAY!

**The Ultimate Digital
Wallet** for Accepting and
Making Payments Globally*

What makes this the ultimate digital wallet?

Load any kind of funding source from bank, credit card, debit, digital payment platforms like Maestro, Ally pay, PayPal, etc., Crypto Wallets, and virtually any global currency so that you can pay how you want wherever you want.

- **Full Functionality App:** Available on Android and Apple.
- **Pay however you want EVERYWHERE:** With VIÁGO PAY, you can use it to pay bills, online, in person like a debit card, or within the VIÁGO PAY network and anywhere MC and VISA are accepted as well.

Transfer Funds: Virtually instant transfer to other users for free and move money to almost any source in your payment's wallet.

- **Crypto Debit Card:** Order a card linked to your Viágo wallet to store funds in crypto. Use it globally at ATMs and merchants!

Unmatched Security:** Your data is protected with banking-level encryption and industry-leading security practices, ensuring your account is as secure as other finance and payment apps.

Experience the future of payments with Viágo Pay!

Get started today and enjoy seamless financial transactions!

* VIÁGO PAY is not a financial institution. VIÁGO PAY works with a global network of payments providers, merchant services networks and digital wallets to provide aggregated services underwritten and managed by these individual providers in institutions.

* VIÁGO points are redeemable for discounts on products and services indicated through the membership website only and do not have a cash value independent of application to these products and services.
