Q&A

Q: What is SLS? and why Seacret's Mud Shampoo is SLS free?

A: Sodium lauryl sulfate (SLS) is a common ingredient in many shampoos that creates a thick, foamy lather. Although shampoo that contains this lathering agent may clean hair effectively, it may also dry the scalp or strip color from dyed hair.

Q: Why does our choice of shampoo matter?

A: Shampoo is the foundation of any haircare routine. A well-formulated shampoo is key for clean, healthy, and shiny hair.

BOOST YOUR KNOWLEDGE

TIP #1

Massage the shampoo into your scalp and hair, from root to tip.

TIP #2

After rinsing give your hair a cold wash for 5 sec. This will revive roots and add extra shine.

CLEAN. POWERED BY THE DEAD SEA.

SLS & SLES free

Paraben free

Phthalate free

Formaldehyde free

BHT & BHA free
