WHAT'S NEW ABOUT SEACRET CONDITIONING BODY WASH?

At Seacret, we are committed to providing products inspired by the Dead Sea that help you look and feel amazing. We have recently reformulated several popular products to make them even better, with powerful Dead Sea Minerals and clean natural ingredients for results you'll love.

Newly enhanced Seacret Conditioning Body Wash is a perfect everyday cleanser. The revamped body wash also comes scented with a comforting aroma of lily rose and is available in a convenient new bottle.

WHAT IS SLS, AND WHY IS SEACRET CONDITIONING BODY WASH SLS-FREE?

Sodium lauryl sulfate, or SLS, is a common ingredient in many skin and hair care products that creates a thick foamy lather. Although this lathering agent may help clean, it also dries the skin. SLS-free Conditioning Body Wash gently cleanses and softens skin without ever over-drying.

HOW DO I USE SEACRET CONDITIONING BODY WASH?

Gently massage this creamy body wash on damp or wet skin in circular motion using your hands, a loofah, or a washcloth. Rinse well.

With a comfortably silky and lightly foaming texture, you'll want to use Conditioning Body Wash every time you wash – and you can! This gentle, skin-softening formula is great for everyday use.

CAN I USE SEACRET CONDITIONING BODY WASH AS A SHAMPOO?

Our body wash products and shampoos are specially formulated with different active ingredients and pH levels to ensure the best results. So, it is best to use each product for its intended purpose and as directed.
