Now, this newly revamped formula is specially made with Seacret Clean ingredients powered by the Dead Sea.

This gentle cleanser deserved an equally delightful fragrance, so we've enhanced the Face Wash Reviving Cleansing Gel with a natural fragrance lightly infused with lavender, rosemary, and sage. You'll also love its classy new look!

### WHAT PRODUCTS PAIR WELL WITH SEACRET FACE WASH REVIVING CLEANSING GEL?

**Secret Cleansing Milk:** Wipe the day away with a silky formula that effortlessly dissolves makeup, excess sebum, dirt, and is made with skin-softening oils and vitamins to rejuvenate skin.

## 06

**Bio Skin Glow Milky Essence:** This post-cleanse toner contains thousands of microdroplets and precious meadowfoam seed oil and adenosine to boost skin softness and hydration.

### IS SEACRET FACE WASH REVIVING CLEANSING GEL SAFE FOR MY SKIN?

Yes! This innovative formula is safe to use no matter your skin type. In fact, all our Seacret skincare products are made with natural fragrances and are skin irritation tested to ensure efficacy and safety for all skincare types.

### WHAT DOES IT MEAN TO BE SILICONE FREE?

Silicone is a human-made substance used in many beauty products. While on the surface, it may help give a smooth texture, this may only be a temporary masking effect that doesn't actually moisturize or improve skin long-term. Plus, silicone repels water, so it can be hard to wash off and may even clog pores.

**Seacret Face Wash Reviving Cleansing Gel's natural formula is silicone-free, which promotes long-lasting softness and skin that feels fresh and revived. Bonus:** Silicone-free products like our Face Wash Reviving Cleansing Gel are also more eco-friendly.
