

VIFLEX PRO

Product FAQs

01

Q. WHAT IS VIFLEX PRO?

A. ViFlex Pro is a fast-acting, multi-symptom topical formulated to support relief from discomfort, inflammation, and skin irritation.

Q. WHAT SYMPTOMS DOES VIFLEX PRO HELP WITH?

A. It's designed for localized discomfort, inflammation, and calm irritated or sensitive skin. Many users apply it to areas such as the hands, feet, lower back, and joints.

02

03

Q. IS VIFLEX PRO SAFE FOR SENSITIVE SKIN?

A. Yes. Ingredients like lavender oil and vitamin E are included to support a gentle, calming experience—even for those with sensitive or reactive skin types.

04

Q. HOW DO I USE VIFLEX PRO?

A. Apply 2 full pumps of ViFlex Pro 2–3 times daily to the affected area. Massage it in gently until fully absorbed. Daily use is recommended for consistent relief and maintenance.

05

Q. HOW DOES VIFLEX PRO COMPARE TO OTC PRODUCTS?

A. ViFlex Pro has performed favorably in testing and anecdotal case studies, with many users reporting it competes with—or even outperforms—popular OTC pain relief creams and NSAIDs for localized symptoms.

Q. CAN I TRAVEL WITH VIFLEX PRO?

A. Yes. At 50 ML (1.7 fl oz), the pump is TSA-friendly and perfect for travel, work, or gym bags.

06

07

Q. HOW LONG DOES ONE BOTTLE LAST?

A. Depending on frequency of use, most users can expect the 50 ML pump to last approximately 2 to 4 weeks with regular application.

Q: WHERE ARE THE INGREDIENTS IN VIFLEX PRO SOURCED FROM?

A: The ingredients used in ViFlex Pro are sourced from a variety of trusted essential oil providers, and certified hemp farmers.

08

09

Q: ARE THERE ANY AREAS OF THE BODY WHERE VIFLEX PRO SHOULD NOT BE APPLIED?

A: ViFlex Pro is intended for external use only. Do not apply it near sensitive areas such as the eyes, mouth, or ears.

Q: HOW LONG DOES IT TYPICALLY TAKE TO FEEL RESULTS AFTER USING VIFLEX PRO?

A: Results can vary based on the severity and source of discomfort. Some users experience relief within minutes—especially for issues like carpal tunnel—while others may need a few applications over several days to feel the full benefits. For best results, we recommend consistent, maintenance use rather than waiting for discomfort to return.
