

# Young Professionals Program

## This is your launch Pad

**Travel More. Create Income. Build Something Real – on Your Terms.**

Viago's Young Professionals Program is built for young professionals from ages 18-35 who more flexibility, more freedom, and a smarter way to build income around the life they're already living.

### Build for Your Lifestyle

This isn't about starting from scratch. It's about using what you already have.

-  Travel and access to curated experiences.
-  Invite your community into the story you're living.
-  Turn lived experience into sustainable value.
-  Build your own path with a network of mentors to guide you.

### The Young Professionals Pack\*

Lower Cost. Real Opportunity.

A more affordable way to get started created exclusively for Young Professionals.

Whether you're traveling, building your network, or creating income alongside your career, this program moves at your speed. Your journey starts now. This is your chance to travel more, earn smarter, and build something that grows with you.

\*Participation in the Young Professionals Program is limited to individuals 18–35 years old at the time of enrollment and in US only at this time. Users who do not meet the age requirement will not be permitted to enroll through the Young Professionals Program.

Viago reserves the right to revoke Young Professional Ambassador status if age information is found to be inaccurate or falsified.

\*\*Compensation Plan qualifications apply to ALL Viago Ambassadors and not limited to specific Ambassador groups.
